## 1. MEETINGS, CONTROL ROOM & OFFICIAL NOTICES

A crew and captain's meeting will be held on Tuesday, September 13 at 11:00 AM, at 3:00 PM for IGFA Tournament Observers and an angler's meeting at 4:30 PM on the same day. All meetings are compulsory. If someone is not able to attend the meeting for a powerful reason they should notify the Tournament Committee to make an appointment prior to that date.

The Tournament Control room will be located in the Club Náutico de San Juan. At the captain & anglers meeting, the exact location will be announced.

Official tournament notices will be posted on the bulletin board located in the breakfast area. Anglers are advised to check the bulletin board on a daily basis for rule and time changes posted by 6:30 A.M. each fishing day.

## 2. FISHING AREA

The fishing area will be limited in the East to Longitude 65 degrees, 35 minutes West (Near Cabo San Juan) and in the West to Longitude 66 degrees, 25 minutes West (near Vega Baja). No northern limit. All released fish must be reported to control either by VHF radio, cellular phones, satellite phones, or through relays with other boats.

## 3. DEPARTURE AND FISHING HOURS

On the first day of fishing, boats will leave the pier at 7:15 A.M. and line up from East to West, in front of Buoy # 1, outside the El Morro Entrance, to await the departure signal that will be broadcasted over the radio and by the firing of a flare by the Control Boat. After the start is signaled by the Control Boat, all boats can then race out to the fishing grounds.

On the following days, boats will not depart from the pier before 7:15 A.M. However, only if all the anglers are on board, boats can leave the docks at 7:00 AM but cannot proceed beyond the San Antonio Channel until 7: 15 AM. Boats failing to comply will be disqualified for the day.

The following fishing hours will be observed:

	Starts	Ends
First Fishing Day:	8:00 A.M.	5:00 P.M.
Second Fishing Day:	8:00 A.M.	5:00 P.M.
Third Fishing Day:	8:00 A.M.	5:00 P.M.
Fourth Fishing Day:	8:00 A.M.	4:00 P.M.

Any changes to the above will be announced at the captain & anglers meeting and will be posted on the bulletin board.

Anglers must be ready at their assigned boats at 7:00 A.M. If an angler is not on board 15 minutes before departure time, the captain of the vessel will contact Control and ask whether there is a substitute angler or observer. If there is no substitute, the boat may depart with prior consent from control.

Anglers may not have any lines out prior to 8:00 A.M. nor after the end of each fishing day as stated above.
