

Sept. 18, 2017

**DEAR ANGLERS, BOAT OWNERS, SPONSORS & FRIENDS!**

With great regret the Organizing Committee of the 64<sup>th</sup> International Billfish Tournament informs that it has been postponed for November 6-10, 2017 due to the imminent path of hurricane *María* through Puerto Rico. It's only been 2 weeks since Puerto Rico was hit by hurricane *Irma*, and works to restore electricity and others utilities are still going on. And this one seems will hit harder than *Irma*!

As per our responsibility for safety towards you, our employees, families and property, the postponement was decided. We hope to have you all back here in November and that you can make your travel arrangements in due time without any penalty. After all, this is a force nature event.

Here's the new Schedule of Events for November.
